***The Composers Now Festival celebrates living composers, the diversity of their voices and the significance of their musical contributions to our society. During the month of February, the Festival brings together dozens of performances presented by venues, ensembles, orchestras, opera companies, dance companies and many other innovative events throughout New York City. Composers will be in attendance at all events, interacting with audiences. Composers Now is a project partner of The Fund for the City of New York. We gratefully acknowledge the support of the ASCAP Foundation, the BMI Foundation, the Cheswaty Foundation, the Ann and Gordon Getty Foundation and the Pocantico Center for the Arts.***
