# Beautiful PROMISE

Dear Friend,

We are delighted to announce our annual spring benefit, Beautiful Promise, on Tuesday, May 7, 2024 at Metropolitan Pavilion in New York City. We invite you to participate in Beautiful Promise this year by making a contribution of goods and/or services for our stellar silent auction.

Promise, in collaboration with Columbia University Irving Medical Center, provides free, state-of-the-art neuropsychological testing as well as advocacy support and parent education so that disadvantaged children with learning disabilities get the tools they need to succeed.

Learning loss has disproportionately affected marginalized communities, and underserved children with learning disabilities have been affected most of all. Our work has never been more important.

We are expanding our reach into public schools across New York City to identify children sooner and put them on the path to learning. The direct result? More children are now getting help earlier than ever, preventing them from falling even further behind.

Beautiful Promise offers a tremendous opportunity to promote your brand to our vibrant network of supporters. With your participation, we hope to make this year's Beautiful Promise our best event to date.

Please complete the attached form with a clear description of the goods or services to be donated, including retail value, and send it along with your items to the address on the form by April 20th.

If you have any questions, please feel free to contact Dana Englander at [danag@promise-project.org](mailto:danag@promise-project.org).

Together, we can make lasting change for the children in our program – putting them on a path to an education and giving them the opportunity to reach their promise.

Sincerely,

Lori Buchbinder  
Board Chair
