beautiful PROMISE

Dear Friend,

We are delighted to announce our annual spring benefit, Beautiful Promise, on Tuesday, April 29, 2025, at Metropolitan Pavilion in New York City. We would like to take this opportunity to invite you to participate in Beautiful Promise in a most meaningful way as an esteemed sponsor.

Promise Project, in collaboration with Columbia University Irving Medical Center, provides free, state-of-the-art neuropsychological testing as well as advocacy, support, and parent education so that disadvantaged children with learning disabilities get the tools they need to succeed.

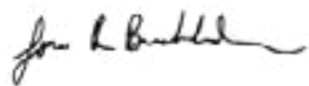

Learning loss has disproportionately affected marginalized communities, and underserved children with learning disabilities have been affected most of all. Our work has never been more important.

We are expanding our reach into public schools across New York City to identify children sooner and put them on the path to learning. The direct result? More children are now getting help earlier than ever, preventing them from falling even further behind. As a valued sponsor, we look forward to recognizing you for your leadership, generosity, and commitment to the underserved children and families in our program. The success of Beautiful Promise, our biggest fundraiser of the year, relies on our shared passion for the critical importance of Promise's work.

We look forward to partnering with you as a Beautiful Promise sponsor. Please use the enclosed form or contact Dana Englander at danag@promise-project.org. Sponsors who confirm participation by February 1 will have their names included on the invitation. And of course, feel free to reach out with any questions.

Thank you for considering a Beautiful Promise sponsorship. Together, we can make lasting change for the children in our program by putting them on a path to an education and giving them the opportunity to reach their promise.

Sincerely,

Lori Buchbinder
